

ADDENDUM #2

RFB-2022-GLENCLIFF-05-CLEAN Cleaning and Coating for Fire Suppression Storage Tank

On July 14, 2021, the New Hampshire Department of Health and Human Services published a Request for Bids soliciting cleaning and coating services for one (1) 8,500-gallon horizontal fire suppression storage tank measuring eight (8) feet in diameter by twenty-two (22) feet in length, located on the premises at Glenclyff Home in Glenclyff, New Hampshire.

The Department is publishing this addendum to:

1. Modify Section 3, Scope of Work, Subsection 3.1, by adding Paragraph 3.1.1, to read:

3.1.1 The selected Bidder will complete all work in accordance with state and local requirements.

2. Delete and replace Section 3, Scope of Work, Subsection 3.2, Paragraph 3.2.3, with the following:

3.2.3 Removing all loose rust and scale from the bottom half of the tank with wire brushes and hand scrapers in accordance with The Society for Protective Coatings' Surface Preparation Specification #2 (SSPC-SP 2) or, upon approval from the Department, by sandblasting.

3. Add Section 3, Scope of Work, Subsection 3.2, Paragraph 3.2.10, to read:

3.2.10 Making corrective repairs to the tank if needed and approved by the Department.

4. Delete and replace Section 6, Schedule of Events and Terms of Submission, Subsection 6.2, Timetable with the following:

6.2. Timetable
